Subject: Newsletter Special Edition | Pictet

We are a leading independent investment firm with more than 200 years' experience. As long-term investors, we aim to direct capital to the real economy in a manner that improves the state of the planet. We do this by building responsible partnerships with our clients and the companies in which we invest.

“We do not aspire to be the biggest financial group. We want to be a responsible firm we all feel proud to work for.”

Renaud de Planta - Senior Managing Partner, Pictet Group

Key figures

Corporate key figures

633	CHF Billion Assets Under Management as of 31 December 2023
3,191m	CHF Operating income
30	Offices
19	Countries
2050	Commitment to achieving net-zero emissions by

Our people

+5500	Employees
49%	Millennial and Gen Z employees
+280	Participants of the Graduate Programmes since 2015
+30	Nationalities since 2015
+50%	Female Graduates hired since 2021

We actively support the promotion of an inclusive culture. Recognising the historical underrepresentation of women in the finance sector, we have taken proactive steps to address this imbalance. Since 2021, we have achieved a hiring rate of 50% for female graduates, a figure that puts us ahead of our industry peers.

for Graduate Alumni

These teams recruit 32 graduate positions in 2024 in nine of our offices.

Global presence

Pictet is present in 30 financial centres across the world with offices in Geneva, Zurich, Lausanne and Basel.

“Joining Pictet as a graduate enabled me to leverage on the knowledge previously acquired during my studies and apply it to concrete projects. It pushed me out of my comfort zone, while being guided by some of the brightest minds. And most importantly, it allowed me to foster meaningful relationships with such a diverse cohort. Overall this experience significantly contributed to my personal and professional journey.”

Hasini Gunawardena – Risk Officer,
Graduate alumni 2021 (Master of Science in Management)
