Tuesday, 8 April | 18:00-19:15 | Internef 231

Networking Essentials:
What Recruiters
Want You to Know
HR Panel with guest speakers

Voices From the Field

Does networking feel uncomfortable to you, or could it be easier than you think?

Come meet four HR experts from Forvis Mazars, KPMG, McKinsey & Company, and Nestlé, who will share helpful networking tips with you. Find out how to make a good first impression and feel more confident building professional connections during events or on LinkedIn.

✦ Followed by an apéro where you can practice your networking skills! ✦

Apply by March 26

Insights from employees: HEC Lausanne Career Center series!

Pictet's graduate programme provides one-of-a-kind experience, allowing participants to engage in job rotations across various sectors, aimed at developing the skills needed for their future roles. Graduates have the opportunity to assume responsibilities early in their careers and to create a broad professional network.

Want to learn more from their graduate alumnus, Farley?

Discover the skills he uses, what he finds most rewarding in his position, and **his advice for students** starting their career in finance.

Explore the full post on LinkedIn!

SAVE THE DATE!

April 29 | 18:15-19:15 @NEF 231

Followed by a Networking Apéro

You may have crossed paths with them in the corridors a year or two ago! Join us to hear from six alumni speakers, who will share their professional experiences and offer tips on what to expect in the real world.

Stay tuned to find out who the speakers will be!
