Insights from employees: HEC Lausanne Career Center series!

Pictet's graduate programme provides one-of-a-kind experience, allowing participants to engage in job rotations across various sectors, aimed at developing the skills needed for their future roles. Graduates have the opportunity to assume responsibilities early in their careers and to create a broad professional network.

*Want to learn more from their graduate, Elodie? Discover the skills she uses, what she finds most rewarding in her position, and **her advice for students** starting their career in finance.*
