HOW TO STAND OUT WHEN EVERYONE USES AI

HR from leading companies shared their advice

How to Stand Out When Everyone Uses AI - HR from leading companies share their advice

Last week, HEC Lausanne welcomed HR professionals from Hublot, PwC, Shiseido, and SICPA to discuss recruitment in an AI-driven job market. A key takeaway: while AI is increasingly part of the process, it is still HR professionals who review applications and decide who moves forward. The discussion also highlighted the importance of personal branding, storytelling and networking. Many thanks to our students for attending and engaging with our guest speakers.

Insight from Dakota

For Dakota, data analyst in Life Insurance at La Mobilière, there is much more than just numbers behind the data she works with every day.

Through statistical analyses and advanced tools, she helps teams make informed decisions based on data that reflects real-life events.
